INVITATION FOR "START UPS" BY STUDENTS OF USS

The Directorate of Students' Welfare has always aspired to be at the forefront of students' welfare in every way possible. With the aim of encouraging innovation, creativity and business opportunities for our student entrepreneurs, detailed proposals are invited from groups of students of USS for "Start Up" ideas they wish to implement.

The detailed proposals along with the administrative and financial support required, if any may be submitted through their respective Dean in the Directorate of Students' Welfare by December 31, 2019.
