NOTICE

All students of USIC&T are hereby directed to follow the instruction given by AICTE email dated. November 18, 2019. **(Copy enclosed for kind reference please).** For all the Engineering and Science students it is necessary to enhance both technical subjects as well as technical communication skills. To improve on the fluency in technical English, AICTE has provided the Technical communication skill training software **"Spoken English for Engineers and Scientist" (SEES-2020)**. Students have to select a lesson, listen to the keywords and repeat aloud. This way student can build their reading, listening, and speaking skills.

This software (Windows version) is available for free download from the following link: https://drive.google.com/open?id=0B33rksJK24bccEZ2VVROT0ZNdkE. The instructions for the installations of **SEES-2020** software are given in the attached AICTE email.

For any query/assistance regarding the software feel free to write to skill.ieod@gmail.com or contact the undersigned.

This issues with the approval of Dean, USIC&T.
