Sub. Placement opportunity for B.Tech students with special ability from 2022 passing out batch in the company "Adobe"

Dear Placement Officer,

Greetings from CCGPC, GGSIPU!!!

Please find details of placement opportunities in the company Adobe for B.Tech students with special ability from 2022 passing out batch for your reference and circulation to students to apply on given link by **26th December 2021:**

Registration Link: https://forms.gle/hsDbx72jmf8nGbXq7

In recognition of International Day of Persons with Disabilities (December 3), we at Adobe, India, are introducing a University hiring program 'Access-ability Drive' with a focus on opportunities being opened specifically for Persons with Disability & improving the access to create a career at Adobe.

This program is uniquely positioned to drive hiring of students with disability for our 2022 graduate FTE roles. We aim to make hires from circuit branches of engineering colleges across the country.

The details of the role are as follows –

Job Title – Associate Technical Consultant

Offered CTC – INR 10 lakh per annum

Job location – Noida/ Bangalore

Job description -

- Transfers business requirements into technical specs and provides technical implementation solution and recommendations
- Create and integrate content-driven applications on marketing cloud, commerce cloud and integrate with other systems
- Define implementation processes, and best practices
- Provide Implementation consultancy, Customer Assistance and post-implementation support
- Knowledge transfer/Training to customers on solution implemented
- Utilize big data and cloud technologies to program for custom solutions
- Attend regular scrum events of equivalent and provide update on the deliverables

Branches Eligible – The program is open for application to 2022 batch B. Tech/ B.E students, specializing in CS, IT, ECE, EEE, Software Engineering or Maths & Computing; or any other branch with Computer Science as major or minor.

Last date for registration – 26ᵗʰ December 2021

Interview Process:
- Online Test – In the first week of Jan 2022 – Will confirm the date once we receive applications
- Tentative Date for interviews – January 2022

If there are students with **Blood Disorder** or any form of **Locomotor or orthopedic disability** (who come under the category of PwD mentioned by the RPwD Act, 2016) are interested in the above role, then **they may apply on given link.**

Adobe is proud to be an [Equal Employment Opportunity](#) and affirmative action employer. We do not discriminate based on gender, race or color, ethnicity or national origin, age, disability, religion, sexual orientation, gender identity or expression, veteran status, or any other applicable characteristics protected by law.
