

University School Of Chemical Technology
GGS Indraprastha University
Sector 16-C Dwarka, Delhi-110078

USCT/IPU/2021/ 9018
Dated: 09.11.2021

Subject: **Vihaan 1.0: Role of Chemical Engineers in Electronics Industry**

The Training and placement Cell of University School of Chemical Technology brings to all the students beginning of our first guest lecture series, **Vihaan 1.0** on "**Role of Chemical Engineers in Electronics Industry**". The speaker for the workshop is **Dr. Kaveri Jain**. She has done her BE in chemical engineering from Punjab University, Chandigarh and has completed her PhD from the University of Iowa, USA. She owns 28 US patents in the field of polymers and photolithography. Her research interest includes polymers, photoresist architecture and lithography.

The event is scheduled on **11th November 2021** at **1 P.M. to 2 P.M.** on **Google meet**
