## ABOUT FDP (OBJECTIVES)

This FDP programmes include but are not limited to the following:

- ❖ Idea and Perspective of Viksit Bharat@2047
- ❖ Tech Powered India: Generative AI
- ❖ Tech Powered India: IoT Applications for Smart Cities
- ❖ Responsible use of AI in Tech Power India: Ethical, Legal and security issues
- ❖ Artificial Intelligence during Amrit Kaal to Realize Economic Growth Ambitions
- ❖ FDP certificate will be given jointly by AIU and AADC.

Unmute Start video Share Record

The screenshot shows a Zoom meeting interface. At the top, there are several video thumbnails of participants, including one with a '25' logo and another labeled 'AIU-GGSIPU-A...'. The main content area displays a slide with the title 'ATTENDANCE MONITORING' in large blue letters. Below the title, there are three bullet points, each preceded by a blue diamond symbol. The slide is set against a background of blue bubbles and a vertical gold bar on the left side.

- ❖ FDP coordinating team shall conduct the attendance automatically through CISCO WebEx tool.
- ❖ All the participants are required to login through the same id with which they have registered.
- ❖ 70% attendance is a minimum requirement for obtaining the certificate as per AADC rules.

### Summary of Session:

At the start of the inaugural session, Dr. Anshul Bhatia, Assistant Professor at USAR, extended a warm welcome to all participants and dignitaries. She discussed the significance of AI in shaping Viksit Bharat @2047. Following her, Prof. (Dr.) Arvinder Kaur, AADC, Nodal Officer, delivered the welcome address and greeted all attendees, stressing the pivotal role of Artificial Intelligence in advancing Viksit Bharat @2047. Afterwards, Prof. Anuj Kumar Vaksha, director, AADC shared his valuable insights on the objectives and perspective of Viksit Bharat @2047. Further, Dr. Anuradha Chug delivered the orientation of FDP as well as introduced the attendees to the objective and purpose of the FDP. She also accentuated the participants about the attendance and assessment criteria, and the overall conduct of the one-week online FDP. At the closing of the Inaugural function, Dr. Anuradha Chug concluded the ceremony with a vote of thanks to all the dignitaries and participants.

The technical session on day 1 was led by Dr. Sanjay Kumar Singh, Assistant Professor at GGSIPU, East Delhi Campus, focusing on "Tech Powered India: Generative AI". Dr. Singh shared insights into the practical applications of Generative AI in daily life, including the Indian government's initiative, 'INDIAai'. He discussed applications, challenges, and tools associated with Generative AI.

In conclusion, Dr. Anshul Bhatia expressed gratitude to Dr. Sanjay Kumar Singh for his enlightening discourse on Generative AI and its potential contributions to achieving the goals of Viksit Bharat @2047.
