Subject: Workshop for USCT students on Graduate Aptitude Test in Engineering (G.A.T.E.) Exam Preparation

T&P cell of University School of Chemical Technology (USCT) is organizing a workshop on the GATE exam in collaboration with Unacademy (GATE Exam preparation institute) for upscaling the skills of 2nd and third year students for the forthcoming engineering exams like GATE and BARC.

Speaker: Mr. Ankur Bansal (Head, Chemical Engineering, Unacademy)

The workshop will be centered on the following sections:

- GATE Exam
- Preparation and Study Material
- Engineering Exams Scope

Date: May 09, 2024

Time: 11:30 A.M. onwards

Venue: C- Block Auditorium

Attending the session for all the 2nd & 3rd year students of USCT is mandatory.

Ankur Bansal
