**The job description is mentioned below for your reference:**

*Have you heard of the brands iClickats and iCrowd.co? Our guess is you have. The company behind those powerful brands is IT World Web.com. In less than 6 years IT World Web.com has grown to a 100+ ambitious women only organization passionate about serving 160+ customers across 3 global locations in Europe and India. We serve Europe's biggest governmental institutions and private businesses with top of class recruitment solutions (products and services)*

*As women empowering organization we believe in attracting and hiring the best young women out there, whose primary goal in life is to gain the required expertise and achieve a leadership position with us in a couple of years.*

*Our mascot is Super "i", the woman who overachieves by using her 10 super powers (our 10 Principles that shape our culture). Want to know if you have the potential to be a Super "i" and if our culture is the right fit for you?*

*Check our Super "i" presentation here: <https://bit.ly/33QPXnY>*

*If daily targets & results excite you and if competing with other ambitious women empowers you, keep on reading but most importantly apply for this role (regardless of your education or career background).*

***Here is what you will do when you join us:***

*For one of our super ambitious teams in Whitefield, Bangalore (India) we are hiring a woman who will get trained and work as (Sr) IT Recruiter and Relationship Manager for our European clients.*

*This role is NOT a regular Recruitment role. It is pure sales (where you negotiate and convince) and customer oriented role where you acquire and manage a portfolio of 50-100 IT Professionals (your clients for whom you obsess) and ensure they get selected for the most suitable for them projects with European Institutions across Europe.*

*Relationship building, high quality expert advice on projects & European Taxation is the key to success here.*

***The highlights of being a Fresher/ Graduate in our organization is:***

*Becoming part of an organization where you excel on a clear career path (we do not offer jobs but a career with growth and promotions).*

*To follow the training and contribute with your learnings to our Global Online Academy.*

*To learn from the #1 company in European Technical Hiring.*

*To work in an extremely multinational environment with 160+ Global clients and IT professionals from 22 Countries.*

*Enhance and improve your technical knowledge*

*A chance to dive deep into technologies*

*At IT World Web.com we are driven by data, results, and performance. Achieving your quarterly targets pushes you closer towards promotion and receiving a quarterly bonus.*

***Have you always been dreaming of that company which provides you a truly clear career path with clear targets and what you need to do to get promoted?***

*Well, great news, look no further. This is what the success of IT World Web.com is all about. We believe in the philosophy that every 2 years our women need to excel and by raising the bar higher move into a higher level role with more responsibilities. You know at any point (every hour, every day) what your target is and what you need to do to get there. And because we believe that ambitious women should never stop learning, we have put into place Academy (our learning platform), a Fast Track Program (for the top performers) and peer coaching.*

***What we expect you to bring in, so you can be successful in your career path with us:***

*Excellent communication skill in writing and speech*

*Negotiating with and convincing your stakeholders excites you and you want to be the best at it*

*Achieving set daily targets excites you.*

*You are super curious and eager to learn*

*You never accept "NO" for an answer*

*You are unstoppable in your career ambitions. You dream of: becoming an Expert in your field, lead a team and grow into Leadership roles where you impact our 100+ women organization with your ideas, knowledge and vision.*

***For Achievers we offer this:***

- Great fixed salary but even better performance bonuses (we are a bonus -reward culture and want to reward those who achieve).*
- Training on the job, everyday learning + Academy ongoing training*
- Most international environment you can wish for: 160+ European Clients, IT Candidates from 22 European countries and colleagues from 7 different geographies.*
- Top quality of your delivery (perfection into the details) and massive obsession about our customers (candidates and end clients)*
- Crystal clear career and promotion path, where you are in charge*

***For Over Achievers we also offer this:***

- If you are a top performer your bonuses can match your salary (this is something you have control over)*
- Powerful 1 Year Fast Track Program into leadership (so you are promoted faster than your peers)*

*We hope to have provided you with all the insights you need to make up your mind if the world of Super "i" is the world you would like to become part of.*
