

**Centre for Sustainability and Climate Change**  
**University School of Environment Management, GGSIPU**

Dated Dec. 20, 2023

**NOTICE**

**Subject : One Day Workshop on Green Credits**

The Centre for Sustainability and Climate Change (CSCC), USEM has organised a highly informative and interactive One-day Workshop on **Green Credits** in collaboration with our knowledge partners EHS Guru Sustainable Solutions, Gurugram in **E - Block Auditorium**, GGSIPU on **21.12.2023 ( 11:00 a.m. onwards ; Registration : 10:30 a.m.)**

The Green Credit Programme has been launched recently this year, by the Ministry of Environment, Forests and Climate Change in pursuance of the **LiFE** vision – **Lifestyle for Environment Movement** of our Hon'ble Prime Minister. MoEFCC has launched two pioneering initiatives, **Green Credit Program (GCP)** and the **Ecomark Scheme** that seek to encourage environment-friendly practices as a pro-active approach to climate change and sustainability. This is a market-based approach to incentivise voluntary environmental actions of various stakeholders. The workshop will focus on the Policy, Rules, and Methodology of these two initiatives.

**All the students and Ph.D. Scholars of USEM must attend the workshop mandatorily.** Students from other USS are also welcome.

All the Faculty members are most cordially invited to attend the same.

(Prof. Anubha Kaushik)

Head, CSCC

(Prof. Varun Joshi)

Dean, USEM
