About EduDAG:

EduDAG has been operating since 2011, working directly with universities in India and abroad to create innovative programs and student life cycle services. Our expertise lies in consultancy, educational products, and placement services. With our headquarters in New Delhi (East Of Kailash) and another branch in Vasant Kunj, we have successfully placed over 6000 students in prestigious educational institutions globally. Our approach focuses not only on academic excellence but also on nurturing and refining the personality skills of our candidates.

In today's rapidly changing world, students face an array of career choices and challenges. We understand the importance of informed decision-making and believe that providing comprehensive career guidance is crucial in shaping the future of young individuals. With this objective in mind, we propose conducting an interactive and informative career guidance session exclusively for GGSIPU University students.
