UTKRISHT 2023

USIC&T under the joint aegis of the GGSIP UNIVERSITY USS ACM Student Chapter and IEEE GGSIPU Student Chapter is coming up with a (4 Weeks) internship for the students of the 4th and 6th Semester of USIC&T. The students will report to the department (in the designated Labs) and their attendance will also be marked.

Phase 1: Announcement of Internship and Registration

The organizing committee will release the detailed schedule of the internship program. Students interested in the program should undergo a two-step registration process. Firstly, they have to fill out the Summer Internship Proposal (USIC&T.acm.org/link/UTKRISHT23Proposal), describing their idea and the project's domain.

The student should contact the respective faculty of USIC&T and get their idea approved by 29th July 2023. **You may contact any faculty of USIC&T for your proposal.** The approved and signed proposal will be submitted to the organizing committee along with a digital registration form (https://USIC&T.acm.org/link/UTKRISHT23Registration).

Based on the responses received, the final shortlisted students' list will be announced.

Phase 2: Research & Development
Upon the announcement of shortlisted students, they can start working with their mentors.
- The internship starts on 2nd August 2022.
- 9th August 2023: Evaluation of Internship Synopsis.

Internship Synopsis: A 2-page proposal presenting a broader view of your project that has to be submitted after 1 week of the beginning of the internship.

Phase 3: Submission & Evaluation
In the last week of the internship, students must submit a report on the project/research done during the period. Evaluation will be done by the committee of experts constituted by the Dean, USIC&T.

Key Points:
- Students can participate maximum in a group of 2.
- After completing the Internship, students, who have completed the research/project, will be awarded a certificate of completion of project.

Marks Distribution:

	Weightage
Internship Synopsis Evaluation	10%
Attendance	30%
Completion of Project [Evaluation]	60%
Total	**100%**

Schedule:

Phase 1:
27th July 2023 - 29th July 2023: Form Filling
31st July 2023 : Shortlisting of Candidates

Phase 2:
2nd August 2023: Beginning of Internship
9th August 2023: Evaluation of Internship Synopsis.
1st September 2023: Completion of Internship.

Phase 3:
13th September 2023 - Evaluation will be done by the committee of experts constituted by the Dean, USIC&T.
