GGSIPIU/IIC-GGSIPU/2025

DATE: 15th January 2025

SELECTION OF STUDENT MEMBERS FOR IIC-GGSIPU

The Institution's Innovation Council (IIC) of Guru Gobind Singh Indraprastha University has completed the induction process for student members for the academic session 2024–2025. These members have been assigned to specific teams based on their roles and responsibilities, as outlined below:

1. Intellectual Property Rights (IPR) Team

Key Role:

- To organize workshops on Intellectual Property Rights (IPR) to educate students on the legal frameworks of entrepreneurship.
- To assist startups in developing and patenting intellectual property.

2. Innovation Team

Key role:

- To identify resource personnel and conduct surveys to understand challenges in innovation.
- To update students on emerging technology trends and industry developments.
- To propose solutions to overcome innovation roadblocks.

3. Internship Team

Key role:

- To act as a bridge between established startups and students by maintaining a network of internship opportunities.
- To facilitate connections between startups seeking interns and interested students.

4. Startup Team

Key role:

- To support students aspiring to launch their ventures by connecting them with resources within the GGSIPU Innovation and Incubation System (GIS).
- To provide mentorship and guidance to ensure the successful initiation of startups.

5. Social Media Team

Key role:

- To manage the university's public-facing platforms by creating engaging content such as graphics, advertisements, and videos.
- To promote events and maintain consistent branding to maximize outreach and visibility.

6. Communication Team

Key role:

- To handle formal communications with University School of Studies (USS), affiliated institutes, resource personnel, and collaborating organizations.

Email: iic-ggsipu@ipu.ac.in

- To ensure professionalism in tone and format for all official emails and correspondence.

7. Content & Database Team

Key role:

- To oversee event reporting, record maintenance, and data management.
- To organize workshops for upskilling team members.
- To ensure the efficient management of documentation and related processes.

8. Logistics Team

Key role:

- To manage on-ground activities to ensure the seamless execution of events and optimal attendee experience.
- To handle real-time problem-solving, venue preparation, and event aesthetics.

9. IIC Core Committee

Key role:

- To comprise five members, including at least three team coordinators from IIC teams, mentored by two doctoral fellows of the university.
- To make executive decisions, strategize, and shortlist ideas while aligning actions with the long-term objectives of IIC GGSIPU.

The selected members with the names of the coordinators highlighted in bold for each team are
