NOTICE

This is to inform all students that TechSpace, the tech club of USICT along with all subclubs of TechSpace, is organizing "WinTech Camp", a four-week intensive tech bootcamp aimed at enhancing technological skills, fostering a coding culture, and preparing students to meet industry standards.

Details of the Bootcamp:
- Duration: 4 weeks
- Venue: Hybrid Mode (Online preferable)
- Date: 21st January 2025 Onwards

Key Objectives of WinTech Camp:

1. Promotion of Technological Culture: Cultivate a strong foundation in technology, encouraging innovation and creativity within the campus.
2. Development of Coding Skills: Comprehensive sessions designed to strengthen programming knowledge, suitable for both beginners and those looking to enhance their skills.
3. Industry Readiness: Equip participants with the necessary tools and knowledge to excel in the tech industry, with a focus on current trends and technologies.
4. Practical Engineering Experience: Engage in project-based learning, tackling real-world problems to build practical skills and a strong portfolio.
5. Networking and Mentorship: Opportunities to interact with industry experts, mentors, and peers, fostering professional connections and learning.

Expected Outcomes:

> Proficiency in coding and problem-solving.

> Hands-on experience through projects that reflect industry scenarios.

> Enhanced understanding of engineering principles and their applications.

> Certification of participation and accomplishment in the form of *E-certificates*. (after successful completion)

> Preparation for internships, placements, and entrepreneurial ventures.

We encourage all interested students to seize this opportunity to advance their technical skills and become part of a dynamic and supportive tech community.
