**Sub: POLICY GUIDELINES FOR ISSUE/REVALIDATION OF 'NO
OBJECTION CERTIFICATE' FOR THE ACADEMIC YEAR 2014-15-
CONTINUATION REGARDING**

Sir,

In this regard, I am directed to convey approval of Hon'ble L.G in regard to modification/additions in the existing Policy Guidelines conveyed by this office letter no. DHE.4 (61)/2010-11/08 dated 02/4/2014 for the academic year 2014-15:

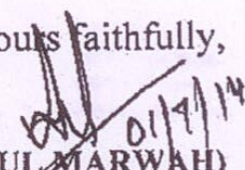

1. The FAR for the institutes in the conforming area may be increased maximum up to 225%, as notified by the MOUD vide notification dated 23/9/2013.
2. The built up area as assessed and verified by the JAC during their visit to an institute in conforming area and mentioned in their report may be considered for granting the course(s)/ intake to that Institute, subject to the maximum limit as prescribed. Considering the fact that any building in use may have common operational areas like Basement, stairs etc., JAC may be advised not to take covered area strictly as built up area. Instead, the built up area as certified by the local body/architect may be taken as final.
3. Cases of all those institutes who were allowed to start various new programme/additional intake during 2013-14 on the recommendation of the JAC and without the NOC of the Delhi government may be reviewed. Issuance of NOC to various institutes for such

programmes/intake for 2013-14 may be reconsidered as per the recommendations of JAC and availability of built up space as verified and mentioned by the JAC on the basis of legal documents. Since some of the institutes that were not considered for such programmes / intake by the JAC for 2014-15, University may be asked to conduct separate JAC for this purpose, wherever required and NOC may be granted based on recommendation of JAC.

4. Interchange of existing programmes in the institutes may be allowed among the courses being run in the institute subject to the provisions of the policy guidelines, more especially the space factor as explained at item nos. (1) and (2) above.
5. The ban on the new affiliations during the academic year 2014-15 may be relaxed and affiliation may be granted subject to strict scrutiny of facilities to ensure fulfillment of all norms about infrastructure, staff / faculty etc. through JAC and only after NOC is obtained from the State Government. The University shall ensure that an engineer of at least EE rank is a part of the assessment committee.
6. For MBA programme, norms and standards for infrastructure and academic facilities as prescribed by AICTE may be considered for grant of intake and issuance of NOC.
7. For colleges located outside Delhi, 85% seats must be reserved for Delhi residents.

This supersedes the earlier letter no. **NO.DHE-4(61)/2010-11/1342 dt. 27/6/2014.**

Yours faithfully,

(ATUL MARWAH)

ADMN. OFFICER (HIGHER EDUCATION)
