

TWINNING (COLLABORATIVE) PROGRAM IN ENGINEERING

Approved Twinning (Collaborative Program) between Auburn University and Maharaja Agrasen Institute of Technology (MAIT) is running at MAIT. Under this Program those students would be admitted who have cleared the Common Entrance Test (CET) of the GGSIP University. For 2 years, the students would study at MAIT Campus and for the rest two years they would study at Auburn University. For more information see the website of MAIT : mait.ac.in
