All the Directors & Nodal officer are aware that the Government of NCT of Delhi has launched Merit cum Means Financial Assistance Scheme for the benefit of students studying in Delhi State Universities. The process of application by eligible students and verification by colleges affiliated to GGSIP University is facilitated online through e-district web portal of Delhi Government (<http://edistrict.delhigovt.nic.in>). The nodal officers of institutes concerned have been informed of their respective roles and responsibilities during the meeting-cum-workshop held at GGSIP University, Dwarka on 22.11.2017. A copy of the minutes of the meeting is enclosed.

It has come to our notice that most of the nodal officers at the level of institutes have not yet complied with the instructions given to them regarding updating the details of undergraduate courses and tuition fee on edistrict portal using departmental login ID provided to them. As a consequence the students of the concerned institutes have been reported to be facing difficulties in submitting their applications. It is also observed that the applications submitted by the students are pending for verification by the institutes' nodal officers.

In the circumstances above, the University is constrained to advise the Directors and the Management of all the institutes affiliated to GGSIP University that any laxity in complying with the orders/directions/instructions from DHE, GNCTD and GGSIP University will not only deprive the poor & eligible students from availing the benefits of the scheme but will also be construed as negligence in properly implementing and administering the scheme.

It is therefore earnestly requested that appropriate action for immediate compliance of all directions, issued from time to time, on the subject matter be taken to avoid any adverse consequences. Kindly contact Director, Students' Welfare office in case of any difficulty to enable University resolve the issues, if any.

The last date for submitting online applications by the students on e- district portal for the scheme is 18th December, 2017.

We anticipate your whole hearted support and co-operation in implementing the scheme at your level by creating awareness among students and providing all possible assistance so that the needy students avail the benefits extended to them.
